

# MalCare

## What is MalCare?

This unique formulation of herbs is designed to boost the immune system and reduce intestinal inflammation from parasitic and bacterial infections.

## Symptoms associated with parasites:

- Fever
- Stomach pains
- Nausea
- Vomiting

## How does Malcare work?

Through modern research, each herb in the formula has shown therapeutic effects to treat or prevent bacterial, viral, or parasitic infections. Unlike antibiotics or antifungal medications, MalCare will not harm the “good” bacteria in the body. Even with long term use, MalCare is still safe and effective.

## ARTEMESIA (WORMWOOD)

Wormwood in particular has been identified by the Nobel Prize winning researcher Youyou to be effective against parasites and parasitic conditions.

# MalCare

## Who should take Malcare?

MalCare is suitable for patients 3 years of age and older to prevent or treat bacterial, viral, or parasitic infections.

## Directions

Take one capsule three times a day, making sure to space out doses, or as directed by your healthcare provider

## Supplement Facts

Serving per Bottle	20
Serving size:	1

Amount per serving		% Daily Value*
Artemesia	120 mg*	DV*
Phellodendria	70 mg*	DV*
Phinelliae	40 mg*	DV*
Citrus Peel	35 mg*	DV*
Andrographitis	75 mg*	DV*
Ginger	35 mg*	DV*
Coptis	45 mg*	DV*
Rhubarb	55 mg*	DV*
Mume Fruit	75 mg*	DV*
Agastache	25 mg*	DV*

\* Daily Value(DV) not established.
