

Spleen Care

What is Spleen Care?

Spleen Care is a natural herbal blend designed to reduce inflammation, pain, and discomfort while strengthening the digestive and immune systems. It is especially supportive for individuals with weak, decreased, or removed spleens.

Benefits:

- Reduced inflammation and flank pain
- Fewer colds, flus, and infections
- Increased energy and appetite
- Improved blood quality
- Better detoxification and nutrient absorption

How it works:

Spleen Care has been clinically shown to improve the function of the spleen and thymus, enhancing immune response and supporting digestive balance.

Who should take Spleen Care?

Spleen Care is recommended for individuals with spleen weakness, inflammation around the abdomen, reduced immunity, low appetite, or recurring infections.

Directions for Use

- Adults: 1 dropper twice daily.
- Children 3–9 years old: ¼ dropper twice daily.
- Children 10–16 years old: ½ dropper twice daily. Take with food.

Take with food. If pregnant or lactating, consult your healthcare provider before use.
